

Trust Channel

Stay compliant with the EU Whistleblowing Directive by enabling a safe space—both internal and external—for reporting misconduct.

Protect your business and build a culture of trust

Comply with the Directive

Mandatory for companies with > 50 employees.

Avoid penalties

Fines of up to €1 million for non-compliance.

Improve workplace climate

Foster a culture of trust across your teams.

Strengthen your brand image

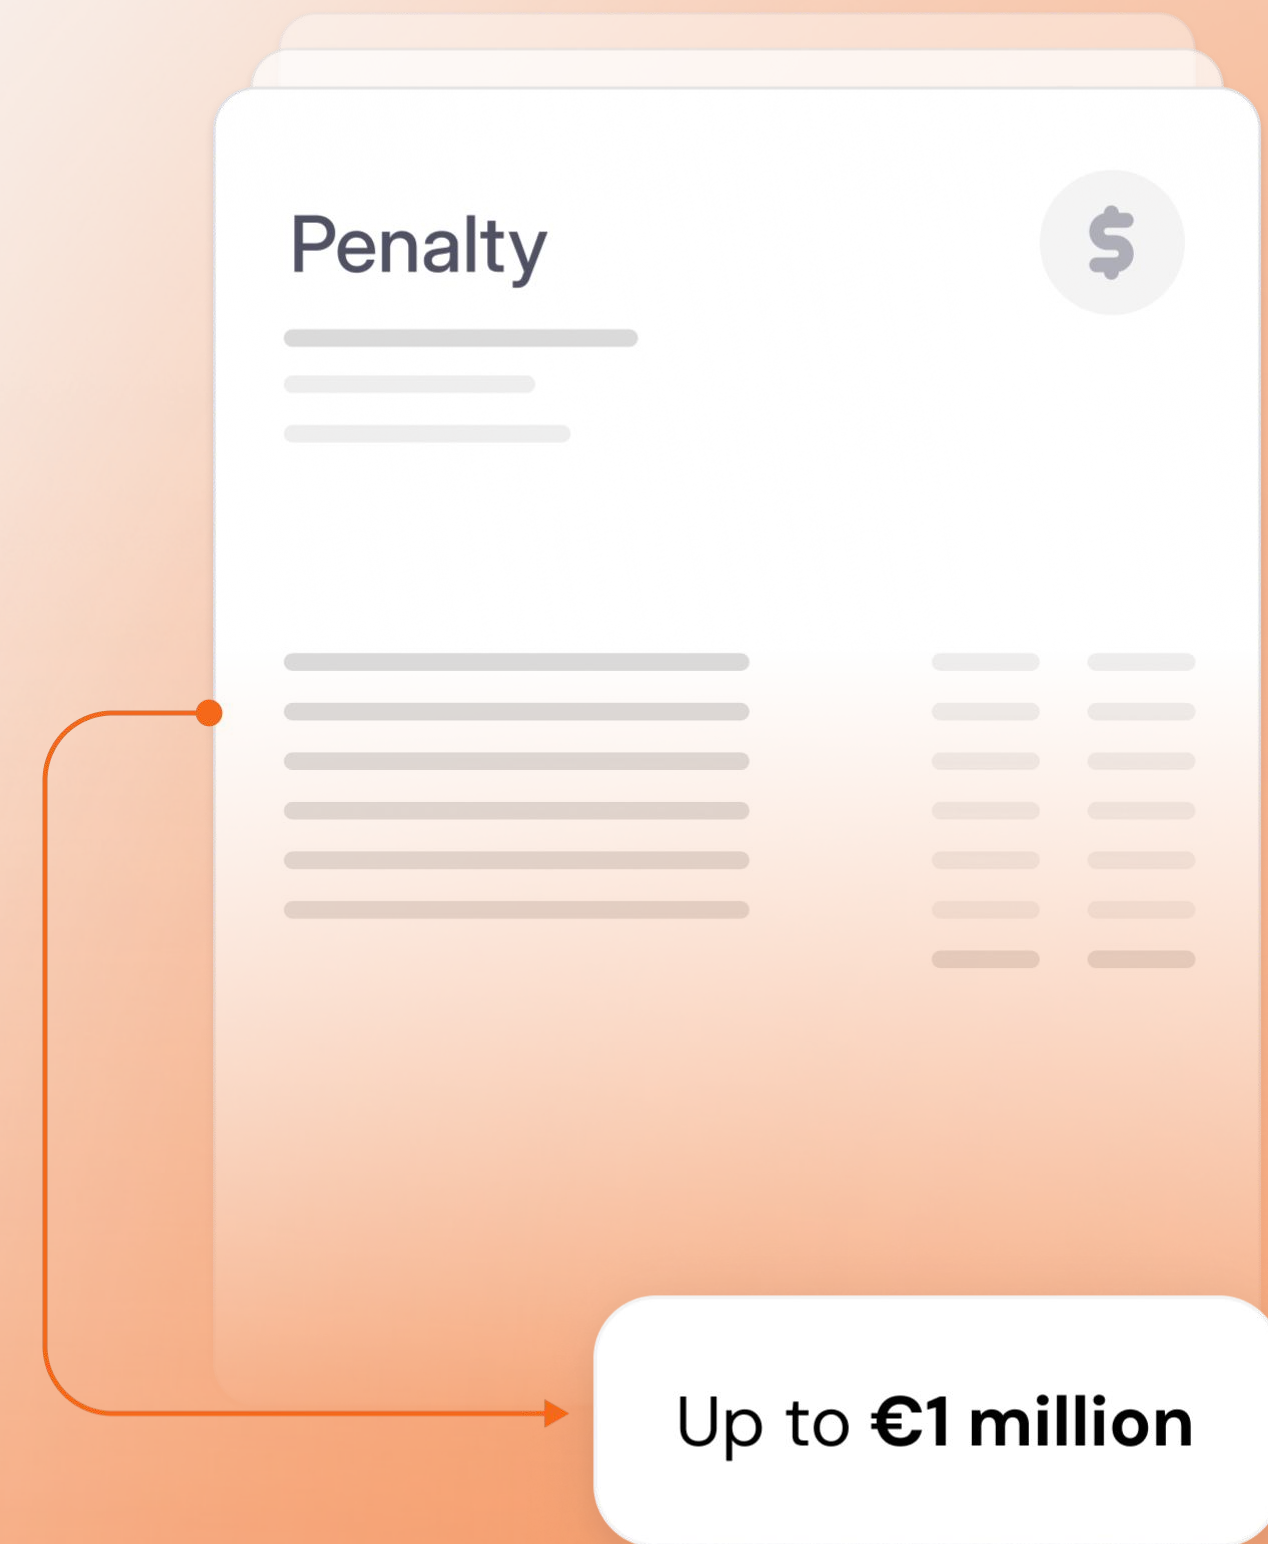

Build a transparent and responsible environment.

Stay compliant and avoid penalties

With Factorial, launching your Whistleblowing Channel is fast, reliable, and 100% compliant with European legislation.

- ✓ A digital, anonymous channel your teams can trust
- ✓ Tailored to your company's size and structure
- ✓ Audit-proof and aligned with the EU Whistleblower Directive

Offer a secure and transparent space

Promote a culture of transparency and reduce internal risks with a secure and easy-to-use channel.

- ✓ Direct communication with the management or legal team
- ✓ Track the status of each case in real time
- ✓ Accessible and traceable report history
- ✓ Open to everyone: employees, clients, and external parties

Complaints channel

Manage complaints safely and take action to prevent them.
